The premises of Happy FM in Accra can hardly contain the large anticipated crowd trooping from all walks of life across Ghana to witness the much awaited spiritual battle between Nana Komfo Appiah and the powerful man of God, Bishop Daniel Obinim as the latter is set to throw spiritual punches and powers to the former.

According to the man of God, his father Jesus Christ has now given him the nod to meet the spiritualist and even continued to say that his father Jesus Christ is very peeved about the

disgrace the spiritualist is taking him through.

"You want to disgrace me Bishop Obinim who has never consulted any shrine or spiritualist before. Even if I were the only person being disgraced, it wouldn't be a problem. You have equally provoked my father Jesus Christ. You said you are my father? Ah! Komfo Appiah, my father? You want to scatter the children of God from his side. Jesus Christ has now given me the go ahead to punish you.

....I am giving you from now up to Friday to come out and face me. I am coming with all my branch pastors including my congregants loaded in about five buses to meet you in your house. If you fail to come out, what I will do to you is best known to me. Ghanaians will then believe I am a real Angel. You are doomed. Because you have disgraced my father Jesus Christ. You will mention those pastors who contracted you to do that and all the monies you have collected from them."

A spiritualist by name Komfo Nana Yaw Appiah has claimed to be the brain behind the spiritual powers of Bishop Daniel Obinim, leader and founder of God's Way Church International. According to the spiritualist, he is fed up with Bishop calling himself a through man of God and that he is ready to collect all his powers from him.

The spiritualist on several instances has called for a spiritual battle between the two with the recent appearance being made last week when Bishop failed to enter appearance.

The premises of Happy FM in Accra saw huge crowd who came around to witness the battle.
